CLiP MODULAR SYSTEM

2	CLiP is Europe's leading panel and pole system, chosen time and time again for its durability, structural rigidity, build quality and ease of use. Its modular design enables you to design a new exhibition stand for every show from just one stock of equipment. You get the impact of a brand new stand for every exhibition with none of the cost.
3	
4	
4	
5	With our state of the art design packages we are able to visualise your stand before the event. For future exhibitions you can take further advantage of our free design service to reconfigure your stand, whatever the size, enabling you to have a fresh, new look for every event.
5	
6	
7	The flexibility of the system means that the only restrictions are your own imagination. The modularity of the system means that your stand can grow with your requirements. Our extensive hire stock enables you to try before you buy, or you can use it to complement your own stock for a larger one off event.
8	
9	
10	
13	This brochure contains every component of the CLiP modular system and its accessories. Please contact us on 0800 834 298 if you require further assistance or for any enquiries.

1.0	0.75	BP02	239.58

Full Height Door

Loop Nylon

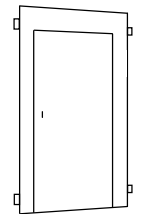

Width (m)	Height (m)	Part No.	Price £
1.0	2.0	FDP01	576.89
0.75	2.0	FDP02	528.07

White Laminate

Width (m)	Height (m)	Part No.	Price £
1.0	2.0	LFDP01	1076.51
0.75	2.0	LFDP02	974.44

Also available in Designer Laminate.

NB. Door panels are non-reversible. All CLiP door panels open outwards and are hinged on the right.

CLiP Ceiling System

Connector	Part No.	Price £
2 way	CE2	6.51
3 way	CE3	6.51
4 way	CE4	6.51

Ceiling connectors available 2 way, 3 way, 4 way. Ceiling connectors sold in pairs including 2 screws for use with ceiling system panels. Using CLiP Ceiling connectors, ceilings can be constructed from CLiP panels with special inserts (Add £8.92 to standard panel price for inserts).

Ceiling connectors can be used between male and female poles or with female/female poles using special screws provided.

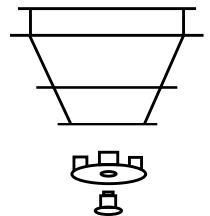

TABLE PLINTHS AND CUPBOARD UNITS

To build a table plinth or cupboard unit, select 4 standard panels or 3 panels and one cupboard door panel to height (m) required, 4 table strips which fit over top edge of panels and one table top. Use double strip on the top edge of adjoining units where more than one unit of the same height (m) are built together. Table tops can be ordered with a cable management hole at the back to enable plugs and cables to be fed through out of sight.

When ordering please prefix the table top code with 'P' and add £8.92 to the price.

Table Strips (High Impact UPVC)

Length (m)	Part No.	Price £
1.0	TL01	9.26
0.75	TL02	6.95
0.5	TL03	5.90
0.25	TL04	4.63

Strips fit over top edge of panels to support table top.

Double Table Strips (High Impact UPVC)

Length (m)	Part No.	Price £
1.0	DTL01	9.26
0.75	DTL02	6.95
0.5	DTL03	5.90
0.25	DTL04	4.63

Strips fit over top edge of a centre panel to form double table top.

Curved Table Strips (High Impact UPVC)

Size (mm)	Part No.	Price £
1500 radius	GCTL01	35.33
750 radius	JCTL01	30.48
500 radius	CTL01	18.91
250 radius	MCTL01	15.66

Strips fit over top edge of curved panels.

Table Tops

Size (mm)	Part No.	Price £
1.0 x 1.0	TT01	124.36
1.0 x 0.75	TT02	100.04
1.0 x 0.5	TT03	80.41
1.0 x 0.25	TT04	67.81
0.75 x 0.75	TT06	83.67
0.75 x 0.5	TT07	73.68
0.75 x 0.25	TT08	63.97
0.5 x 0.5	TT11	66.85
0.5 x 0.25	TT12	40.48
0.25 x 0.25	TT16	32.53

Available as standard with black wood grain or white laminate finish. Designer finishes also available.

Jumbo Quadrant Table Tops

Shape	Part No.	Price £
Quadrant	JQT01	102.87

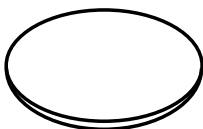

Available as standard with black wood grain or white laminate finish. For use with 750mm radius curved panels. Supplied with supporting brackets.

Circular Table Tops

Shape	Part No.	Price £
Circular	CTT01	165.95
Half Circle	CTT02	114.42
Quadrant	QTT01	95.78

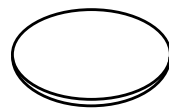

Available as standard with black wood grain or white laminate finish. For use with 500mm radius curved panels. Supplied with supporting brackets.

Mini Circular Table Tops

Shape	Part No.	Price £
Circular	MCTT01	115.24
Half Circle	MCTT02	79.39
Quadrant	MQTT01	44.88

For use with 250mm radius curved panels. Supplied with supporting brackets.

Reversible Cupboard Door Panel

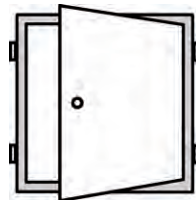

Loop Nylon

Width (m)	Height (m)	Part No.	Price £
1.0	1.0	CDP01A	281.52
1.0	0.75	CDP02A	259.68
0.75	1.0	CDP05A	267.87
0.75	0.75	CDP06A	244.13
0.5	1.0	CDP09A	235.99

Also available in Designer Laminate.

NB. Laminate cupboard door panels are non-reversible

All Clip door panels open outwards and are hinged on the right.

Knee-Hole Panel

Loop Nylon

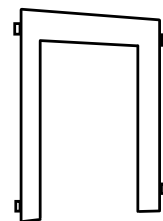

Width (m)	Height (m)	Part No.	Price £
1.0	1.0	KNPA01	155.35
1.0	0.75	KNPA02	135.94
0.75	1.0	KNPA05	135.94
0.75	0.75	KNPA09	107.05

White Laminate

Width (m)	Height (m)	Part No.	Price £
1.0	1.0	LKNPA01	178.72
1.0	0.75	LKNPA02	156.33
0.75	1.0	LKNPA05	156.44
0.75	0.75	LKNPA09	146.34

Also available in Designer Laminate

Panel to use in place of standard panel to convert a plinth to a desk.

SHELVING AND ACCESSORIES

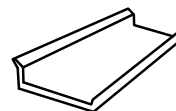

Shelves are available in Light Grey, Dove Grey, Midnight Blue, Royal Blue, Graphite, Metallic Grey, Antique Silver and White unless stated. If you would like to see a sample please contact us.

Slatwall Shelving

Width (m)	Depth (m)	Part No.	Price £
1.0	0.17	SWS01	48.07
0.75	0.17	SWS02	36.44
0.5	0.17	SWS03	25.41

Moulded extruded plastic shelving which slots into slatwall panelling. Load-bearing capacity 30kg per linear metre.

Available in Black only.

Aluminium Slatwall Leaflet Tray

Width (m)	Depth (m)	Part No.	Price £
1.0	0.29	SWLT01	61.25
0.75	0.29	SWLT02	57.55
0.5	0.29	SWLT03	51.77

Aluminium tray which slots into slatwall panelling. Will hold A4 size literature or smaller. Available in all colours.

Leaflet Trays

Width (m)	Depth (m)	Part No.	Price £
1.0	0.3	LF01	66.49
0.75	0.3	LF02	55.79
0.5	0.3	LF03	46.64

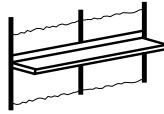

Pressed aluminium angled tray which hooks over top edge of standard panel. Will hold A4 size literature or smaller.

Shelves

Width (m)	Depth (m)	Part No.	Price £
1.0	0.2	SL01	69.02
0.75	0.2	SL02	57.77
0.5	0.2	SL03	48.63

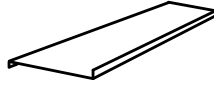

Single pressed aluminium shelf which hooks over top panel.

Heavy Duty Shelves

Width (m)	Depth (m)	Part No.	Price £
1.0	0.35	HDS01	67.31
1.0	0.25	HDS02	64.94
0.75	0.35	HDS03	55.73
0.75	0.25	HDS04	53.26

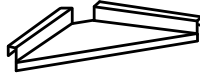

Formed steel shelves to be used with mesh panels. Will take up to 10kg in weight per shelf.

Corner Shelves

Width (m)	Depth (m)	Part No.	Price £
0.75	0.75	CS750	101.48
0.5	0.5	CS500	92.88

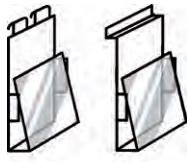

Pressed aluminium shelf which slots over panels creating a right angle.

Literature Holders

Hooks

Size	Part No.	Price £
A4	LH01C	17.76
A5	LH02C	17.76
1/3 A4	LH03C	17.76

Slat

Size	Part No.	Price £
A4	MPLH01C	17.76
A5	MPLH02C	17.76
1/3 A4	MPLH03C	17.76

Velcro

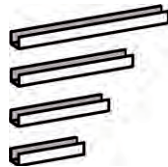

Size	Part No.	Price £
A4	SWLH01C	17.76
A5	SWLH02C	17.76
1/3 A4	SWLH03C	17.76

Formed acrylic (clear) for use with standard panels (fixed with Velcro) Mesh or Slatwall panels.

Kickstrip (High Impact UPVC)

Length (m)	Part No.	Price £
1.0	KB01	9.26
0.75	KB02	6.95
0.5	KB03	5.90
0.25	KB04	4.63

Strip push-fit onto bottom edge of panel.

Curved Kickstrip

Size	Part No.	Price £
1500mm radius	GCKB01	35.33
750mm radius	JCKB01	30.48
500mm radius	CKC01	18.91
250mm radius	CKB02	15.66

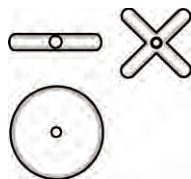

Slides over bottom edge of curved panel.

Header Support

Size	Part No.	Price £
Single	HS1	7.15
Double	HS2	4.68
T Piece	HS3	6.56
Right Angle	HS4	5.29
Cross	HS5	7.67
Universal	UHS01	2.10

Slips between joins in poles to support "floating" header panels.

Base Support Strap

Size	Part No.	Price £
1.0	BHS1	14.72
0.75	BHS2	13.67
0.625	BHS625	13.67

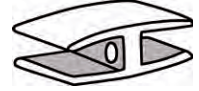

Metal strap used to tie panels together for extra support on large, load bearing structures at base.

Double Clip

Part No.	Price £
DC01	3.03

Used with two poles to create acute angles with panels.

Loop Nylon

Size	Price per metre £
Approx 110 cm	24.47

Available by the metre in any one of 19 colours.

Clip Velcro

	Part No.	Price £
Pack of 50 Grip Pads	GP01	4.73
Grip Strip: 3m continuous strip hook	GS01	7.09
Grip Strip: 25m continuous strip hook	GS02	26.78
Grip Strip: 25m continuous strip loop	GS03	26.78

Metal strap used to tie panels together for extra support on large, load bearing structures at base.

Porter Step

Part No.	Price £
PS01	157.24

An all-in-one step ladder and trolley. Will carry 3 Clip carry bags. Opens up to form stable step ladder and seat. Available in Royal Blue only.

Caddy

Part No.	Price £
CAD01	204.75

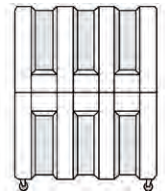

Flat pack trolley to hold 3 carry bags or cases (capacity 125kg).

CASES

Heavy Duty Transport Cases

Size	Part No.	Price £
To hold 10 PA01s or equivalent in smaller panels and five 3mm graphics	HDTC01	394.47
To hold 10 PA05s or equivalent in smaller panels and five 3mm graphics	HDTC02	377.17
To hold 10 PA03/PA09s or equivalent in smaller panels and five 3mm graphics	HDTC03	348.39

Heavy Duty moulded, high impact case designed for Air and Sea transportation.

Trimesh Carry Cases

Size	Part No.	Price £
0.5	TMCC0500	64.06
0.75	TMCC0750	69.18

1.5	TMCC1500	86.00
2.0	TMCC2000	94.27
2.25	TMCC2250	98.73
2.5	TMCC2500	106.01
3.0	TMCC3000	113.34

Hard wearing construction with moulded ends for added protection. Supplied complete with handles.

Carry Cases

Size	Part No.	Price £
1m x 2m. To carry 4 PA21 or equivalent area smaller panels.	CC21	197.03
1.25m x 1m. To carry 4 PA125A or equivalent area smaller panels.	CC125A	151.87
1.25m x 0.75m. To carry 4 PA125B or equivalent area smaller panels.	CC125B	144.87
1m x 1m. To carry 4 PA01 or equivalent area smaller panels.	CC01	118.76
1m x 0.75m. To carry 4 PA05 or equivalent area smaller panels.	CC02	114.24
To carry six 1m or 0.75m leaflet trays or shelves.	CC05	84.06
0.4m x 0.3m x 0.5m deep. To carry lights and/or accessories.	CC08	80.06

Hard cases with handles and shoulder straps.

Carry Cases On Wheels

Size	Part No.	Price £
Double sized CC01 on castors. (Takes 10 No. PA01). With extra height for use with accessory tray.	WCC01A	216.58
Double sized CC02 on castors. (Takes 10 No. PA05 or 4 x CP01 curved panels) With extra height for use with accessory tray.	WCC02A	204.46
Double sized CC125(A) on castors. (Takes 10 No. PA125A).	WCC125A A	245.60
Double sized CC125(B) on castors. (Takes 10 No. PA125B) with extra height for use with accessory tray.	WCC125B A	231.79

Carry Bags

Size	Part No.	Price £
Capacity as CC01 above	CB01	107.42
Capacity as CC02 above	CB02	103.69
Capacity 4 - PA06	CB03	97.97
Pole and accessory bag carries 20 - 30 poles	CB04	47.20
Capacity 1 lectern	LCB	88.36
Wheeled carry bag capacity as CC01 above	WCB01	145.26
Wheeled carry bag capacity as CC02 above	WCB02	135.66

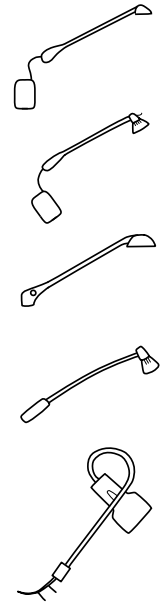

Hard-wearing canvas construction with handles and shoulder straps.

LIGHTING

Spotlights

	Part No.	Price £
Low voltage 75w spotlight	LVLA 75	77.70
Low voltage 50w spotlight	LVLA 65	72.66
Mains halogen 200w spotlight	MHLA 200	102.32
Mains halogen 75w spotlight	MHLA 75	67.88
Mains halogen 100w panel mount spotlight (black only)	PSP100	43.68

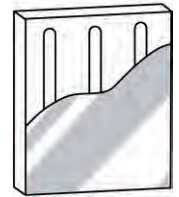

All complete with necessary lamps, plugs and flex.
Available in Black (S) or Grey (G).

Light Box

Width (m)	Height (m)	Part No.	Price £
1.0	1.0	LIPA01	729.17
0.75	1.0	LIPA05	571.96

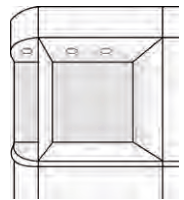

Light boxes are supplied complete with fluorescent tubes, cable and plug, ready to clip to a standard panel. Transparencies or other display material (not included) are inserted between the two front sheets of perspex by removing one section of the aluminium surround.

Low Voltage Down-lighter Panel

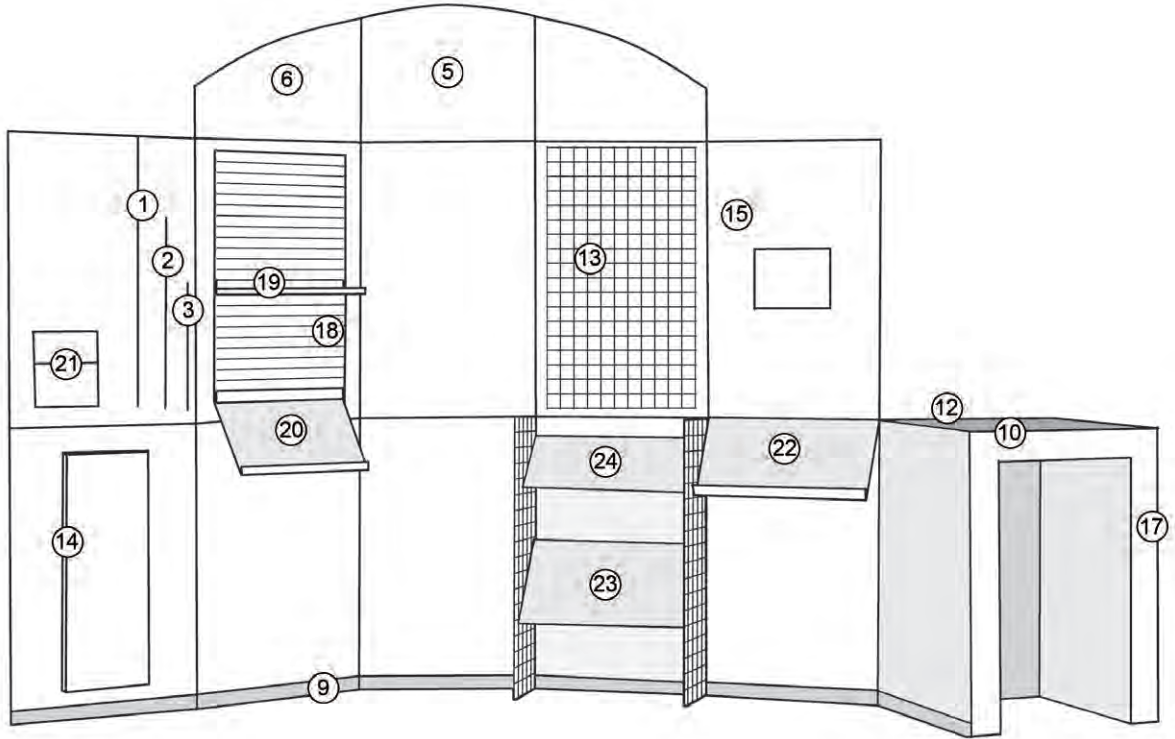

Size (m)	Lamps	Part No.	Price £

Black

White

Red

Antique Silver*

Please Note: * available as pole finish only.

IMPORTANT: Due to the nature of print quality and screen resolution, an exact colour match to the shades shown cannot be guaranteed. Should you need a sample patch please contact us.

Colours may also vary slightly between batches.

TRIMESH - SPACEFRAME

Trimesh - Clip's spaceframe system - can be used effectively to enhance the impact of your exhibition stand or conference set. Trimesh adds height, drama and stature. Displays are built up using a series of angled push fit connectors and triangular sectors. It is not necessary to use tools. The whole system is fully compatible and colour co-ordinated with the CLiP panel and pole system.

- Creative and sophisticated lighting effects can be easily incorporated into your scheme.
- Available in four standard colours.
- Can incorporate shelves, hanging rails, ceilings, graphics, banners etc.
- Inherent strength allows wide spans to be constructed without the need for a central support pier.
- Can support lighting, A/V equipment and illuminated signs.

Trimesh connectors have spring-loaded buttons which locate into holes in the horizontal/vertical sections. Using this method it is possible to build a structure quickly and easily without tools.

The CLiP panels simply clip directly onto a Trimesh column. Trimesh is available in four standard colours to match Clip metalwork, poles and accessories.

- Antique Silver (AS)
- Black (S)
- Dove Grey (DG)
- White (W)
- Metallic Grey
- Graphite
- Light Grey
- Midnight Blue
- Royal Blue

TRILIGHT

Fully compatible with Trimesh, Trilight is an integral lighting system which can be used either within a structure as a vertical or horizontal lighting beam, or as a stand alone lighting column.

Trilight is available in the same four standard colours as Trimesh.

Trilight

Length (m)	Part No.	Price £
500	TL0500	246.47
750	TL0750	319.40
1000	TL1000	346.68
1500	TL1500	419.88
2000	TL2000	456.33
2250	TL2250	492.60
3000	TL3000	529.25

Each Trilight beam includes fluorescent fitting, tube and opal perspex in all 3 sides. May be supplied with one or two sides blanked off with white PVC board. Please specify (B1) or (B2) after reference.

Coloured Fluorescent Tube Sleeves

Length (m)	Part No.	Price £
500	TS0500	4.97
750	TS0750	7.67
1000	TS1000	10.20
1500	TS1500	15.16
2000	TS2000	20.40
2250	TS2250	21.74
3000	TS3000	30.70

Can be slipped over the tube to change lighting colour. These are available from stock in Red (R), Blue (B) or Green (G).

Other colours to order.

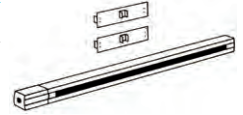

LIGHTING TRACKS AND LIGHTING

Lighting Track Bracket

Part No.	Price £
TML0017	21.44

Used to connect track to Trimesh sections. Clips onto column.

Lighting Track Bracket

Part No.	Price £
TRACK1000	38.81
TRACK2000	62.45

Available in Black (S) or Grey (G).
