The Promo roller banner stand is strong, stylish and simple to assemble making it our most popular banner stand. The Promo roller banner stand is available in four widths allowing for maximum image visibility. The feet can be adjusted to combat uneven floors, making the stand both versatile and perfect for reception areas, conferences or corporate events.

Roller banners are probably the most popular type of banner stand on the market today. The principle of the roller banner stand is very simple. The set up is effortless, just assemble the elasticised pole, pull-up the graphic and hook it over at the top.
